

The main content area is a large grid of 1000 numbered boxes, arranged in a 20x50 grid. The boxes are divided into four quadrants by a central vertical yellow bar and a horizontal line near the top.

- Top-Left Quadrant (Blue Umbrellas):** Contains 1000 blue umbrellas. The numbering starts at 130/H in the top-left and proceeds row by row, ending at 114/I in the bottom-right.
- Top-Right Quadrant (Blue Umbrellas):** Contains 1000 blue umbrellas. The numbering starts at 89/H in the top-left and proceeds row by row, ending at 43/A in the bottom-right.
- Bottom-Left Quadrant (Red and White Striped Umbrellas):** Contains 1000 red and white striped umbrellas. The numbering starts at 153/J in the top-left and proceeds row by row, ending at 104/I in the bottom-right.
- Bottom-Right Quadrant (Red and White Striped Umbrellas):** Contains 1000 red and white striped umbrellas. The numbering starts at 83/H in the top-left and proceeds row by row, ending at 14/I in the bottom-right.

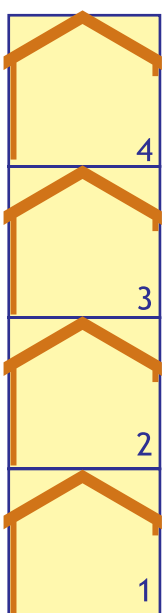

Additional elements include a central vertical yellow bar, a horizontal line near the top, and various small diagrams and icons scattered throughout the grid, such as sailing ships and numbered boxes.
